

2017 & 2018 BIGHORN SHEEP HUNTING SEASONS

Mandatory Check and Report Requirements

Any hunter killing a bighorn sheep ram must present the horns and have a big game mortality report completed at an Idaho Fish and Game regional office within 10 days of the date of the kill. Fish and Game's headquarters office is not equipped to check in bighorn sheep. In the Boise area, these animals can be checked at the Fish and Game regional office in Nampa (3101 S. Powerline Rd, 208-465-8465) weekdays between the hours of 8 a.m. and 5 p.m. or by appointment at the Garden City facility, 109 W. 44th St., 208-327-7095.

A hunter may authorize another person to comply with the above report requirements if that person possesses the necessary information to accurately complete the necessary form, see page 32.

Unsuccessful hunters must present or mail their unused tags to a Fish and Game office within 10 days after the close of the season for which the tag was valid. Tags can be mailed to: Idaho Fish and Game, Attn: Wildlife Bureau, PO Box 25, Boise, ID 83707. Cancelled tags will be returned to the hunter upon request. Failure to report may result in future ineligibility in bighorn sheep drawings.

No person may harvest more than one Rocky Mountain and one California bighorn sheep in Idaho during their lifetime. Lottery and Auction tag winners are exempt from the once in a lifetime provision.
